## TASTING NOTE

A gewürztraminer wine, one of the varieties that has positioned the Somontano Denomination of Origin in excellence in the production of white wines, a classic in the viticulture of central Europe, totally adapted to our soil and climate, but which the Las Planas plot has given it its own personality.

The range of aromas is wide, intense and complex. Floral notes (such as roses, lilacs, guava, orange blossom, violets), fruit (exotic fruit, lychee, citrus peel), tea and a spicy character, which the name of the variety itself indicates (würzig, in German). The palate is silky and elegant, a wine to enjoy, a very limited edition.

## PAIRING

With smoked fish, semi-cured cheeses and Asian dishes such as Sushi.
